§1 Subject of the Agreement

1. The subject of this Agreement is:

- the preparation of the trade fair booth design,
- the creation of a 3D visualization of the booth,
- the production of booth components,
- the assembly of the booth at the location of the trade fair: [name, location, date],
- the dismantling of the booth and collection of components after the event.

§2 Timeline

1. The design and 3D visualization shall be delivered to the Client for approval no later than [date].
2. The booth assembly shall be completed by [date].
3. Dismantling and removal of the booth shall be carried out no later than [date].

§3 Payment Terms

1. The total remuneration for the Contractor is: [gross amount].
2. The Client shall pay:
   - an advance payment of 70% of the contract value — within 7 days from signing the Agreement,
   - the remaining 30% upon final acceptance of the booth, confirmed by a signed acceptance protocol with no remarks.
3. All payments shall be made via bank transfer to the Contractor's account: [account number].

§4 Obligations of the Parties

1. The Contractor undertakes to:
• prepare the design in accordance with the arrangements and applicable standards,
• deliver a 3D visualization for approval,
• complete all works in accordance with the trade fair schedule and organizer's requirements,
• ensure the proper technical condition and safety of the booth structure.

2. The Client undertakes to:
• cooperate in design-related arrangements,
• make timely payments,
• accept the booth in accordance with the provisions of this Agreement and the approved design.

§5 Acceptance of Work

1. Acceptance of the booth shall be confirmed by signing a handover protocol upon completion of the installation.
2. In the event of any defects, the Contractor shall rectify them within 12 hours of notification by the Client.

§6 Warranty

1. The Contractor provides a warranty for the booth for the duration of the event and dismantling.
2. Any defects resulting from the Contractor's fault shall be rectified at their own expense.

§7 Final Provisions

1. This agreement has been concluded as part of a procedure published in the Competitive Bidding Database 2021, in accordance with the competitiveness principle for projects co-financed with EU funds.
2. Any amendments to the contract must be made in writing under pain of nullity.
3. For matters not covered herein, the provisions of the Civil Code shall apply.
4. Contract amendments are allowed under the following conditions:
a) Changes in service deadlines due to force majeure, understood as unforeseeable events beyond the control of the parties, such as: war, terrorism, revolution, military or civil coup, natural disasters (hurricanes, floods, earthquakes), strikes, site occupation by third parties, or other unforeseeable random events. The deadline may be extended by the time necessary to remove the effects of such force majeure.
b) Technical reasons justifying a change in the method of execution.
c) Changes in applicable laws affecting the contract execution.

d) Decisions issued by the funding authority altering the scope, deadlines, or requiring additional provisions.
e) The tender procedure is affected by an irremovable flaw preventing the signing of a valid contract.
f) A significant change in circumstances renders the execution of the contract contrary to the Client's interest.
Provided that such changes do not result in an increase in the Contractor's remuneration.
The Client also specifies the following situations that may justify changes to the agreement compared to the submitted offer:

1. Change in the completion date due to unforeseeable legal, economic, or technical circumstances, or force majeure beyond the control of the parties.
2. Change of persons responsible for communication and project supervision.
3. Correction of obvious clerical or calculation errors.

All changes mentioned above require a formal written request from the Contractor and must be approved by the Client. Any amendments must be made in writing under pain of nullity.
5. In the event of improper performance or failure to meet deadlines, the Contractor shall pay the Client a contractual penalty of 20% of the gross contract value.
6. Payment of penalties does not limit the Client's right to seek further compensation under general rules.

The contract has been executed in two identical counterparts, one for each party.
