Baltic Hub Container Terminal sp. z o.o.

Purchase of IMV-Type Electric Vehicles

V0.3. Offer Form

V0.3.4. Organisation, Personnel and Subcontractors

Appendix No. 4 to the Offer Form – Organisation, Personnel and Subcontractors

The Tenderer should provide information on the organisation of the performance of the Contract, key personnel and the planned involvement of subcontractors, to the extent specified in the table below. The extent to which this information is subject to evaluation shall be determined exclusively by the provisions of the Instructions to Tenderers (ITT).

The Tenderer confirms that the Personnel designated to perform the Contract have the qualifications, experience and availability necessary to perform the Subject Matter of the Contract in accordance with the Employer's requirements, the Implementation Schedule (Appendix No. 3 to the Offer Form) and the requirements applicable to a project co-financed from the FEnIKS Programme.

Item	Requirement
Organisation of the performance of the Contract	Description of the project management model, main location of project implementation, location of vehicle production, location of FAT, location of the spare parts warehouse, location of the service centre, organisation of local servicing (local servicing agent) or a plan for local support during commissioning and warranty repairs (V2.1 – Project Phasing and Deliverables, D2)
Project organisational chart	Attach an organisational chart showing the organisational structure and key roles in the Project.
Project Manager	Name and surname, position, professional experience, experience in similar projects.
Key personnel	List of persons designated to perform the Contract, with a description of their qualifications, experience, licences and scope of responsibility, together with an attached CV of each person, as well as their planned involvement in the performance of the Contract.
Subcontractors	Name of the subcontractor (if identified at the Offer submission stage), the scope of the works, supplies or services to be subcontracted and the justification for the subcontractor's involvement.
FEnIKS requirements concerning subcontractors	Confirmation that subcontractors will meet the requirements concerning sanctions, conflict of interest, confidentiality, HSE (V2.4), inspections, audits, archiving of documentation, DNSH and other requirements applicable to the performance of the Contract.

By submitting the Offer, the Tenderer declares that it has fulfilled the information obligations provided for in Article 13 or Article 14 of Regulation (EU) 2016/679 of the European Parliament and of the Council

(GDPR) towards natural persons whose personal data have been provided in this Appendix, including in the attached CVs, for the purpose of applying for the award of the Contract.
