If the Contractor whose tender won evades from concluding the agreement the Ordering Party may choose the best tender from among the remaining tenders.

XI. ADDITIONAL INFORMATION

1. The Ordering Party reserves the right to change the content of this request. If the changes can affect the content of tenders submitted in the procedure, the Ordering Party shall extend the tender submission deadline. Any changes made shall be provided promptly to all tenderers to which the request was sent and shall be binding on them.
2. The Ordering Party allows the possibility of granting an order on terms insignificantly different from specified in the query when all the received tenders differ from specification appearing in the query in

the same way, and these changes are insignificant and do not affect the proper conduct of the project research, ie.:

- there is incomplete coherence of the product with a description specified in query (eg. purity, form, amount etc.);
- there is incomplete coherence of the conditions for participation in the proceedings with the conditions set out in the request for proposals contained in section III.

3. The Ordering Party allows the possibility of granting an order if all received quotations exceed the delivery time specified in the RFQ and extension of delivery time does not affect the proper conduct of the project research. The Ordering Party will choose supplier based on criterion specified in clause 2, Part VI.

4. The Ordering Party reserves the right to cancel this procedure without providing reasons, change the number of products ordered in relation to the number specified in this RFQ, purchase one of parts/items and also to complete the procedure without choosing the winning tender.
